

California Girls chords by The Beach Boys

Well East coast girls are hip F I really dig those styles they wear C And the Southern girls with the way they talk D They knock me out when I'm down there G F The mid-west farmers daughters really make you feel alright C And the northern girls with the way they kiss D They keep their boyfriends warm at night	G Am I wish they all could be California F Gm I wish they all could be California Eb Fm G I wish they all could be California girls
G Am I wish they all could be California F Gm I wish they all could be California Eb Fm G I wish they all could be California girls	G D G Am I wish they all could be California F Gm I wish they all could be California Eb Fm G I wish they all could be California girls
G The West coast has the sunshine F And the girls all get so tanned C I dig a French bikini on Hawaii island D Dolls by a palm tree in the sand G I been all around this great big world F And I've seen all kinds of girls C Yeah, but I couldn't wait to get back in the states D Back to the cutest girls in the world
