[Intro]

C C G G F x2

[Verse 1]

C G F

It started way back in third grade

I used to sit beside Emmie Lou Hayes

A pink dress, matching bow, and her pony tail

She kissed me on the school bus but told me not to tell.

[Verse 2]

C G F

Next day I chased her 'round the playground

C G F

Across the monkey bars to the merry go round

C G F

and Emmie Lou got caught passing me a note

F G

Before the teacher took it I read what she wrote:

[Chorus]

C Am F

Do you love me?, Do you want to be my friend?

G

and if you do.

C Am F

Well then don't be afraid to take me by the hand

G

if you want to.

F G

I think this is how love goes, check yes or no.

[Instrumental] x2

C C G G F

[Verse 3]

C G F

Now we're grown up and she's my wife

Ain't much changed I still chase Emmie Lou

Up and down the hall, around the bed in our room.

[Verse 4]

C G F

Last night I took her out in a white limousine

C G F

Twenty years together and she still gets to me

C G F

can't believe it's been that long ago

F G

when we got started with just a little note.

[Chorus]

C Am F

Do you love me?, Do you want to be my friend?

G

and if you do.

Well then don't be afraid to take me by the hand

if you want to.
