

Dallas - Bb

[Verse]

Bb

Dallas packed her suitcase

Eb

Bb

And drove off in the brand new car I bought
her

She made leaving me look easy

Eb

Bb

I wish she'd made it look a little harder

F

I took her out of Texas

Eb

When she was just a girl

F

But old Tennessee and me

Eb

F

Couldn't take Texas out of her

[Chorus]

Bb

Eb

F

On how I wish Dallas was in Tennessee

Eb

If I could move Texas east

F

Then she'd be here with me

Bb

Eb

F

Then nothing else would come between the
two of us

Eb

F

Bb

If Dallas was in Tennessee

[Verse]

Bb

By now she's leaving Memphis

Eb

Bb

And everything we had behind her

Eb

Lord I hope the gold band on her hand

Bb

Will serve as a reminder

F

That true love is a treasure

Eb

That's very seldom found

F

Eb

F

But you can't stay together if there's no
common ground

[Chorus]

Bb

Eb

F

On how I wish Dallas was in Tennessee

Eb

If I could move Texas east

F

Then she'd be here with me

Bb

Eb

F

Then nothing else would come between the
two of us

Eb

F

Bb

If Dallas was in Tennessee

Dallas packed her suitcase

Eb

Bb

And drove off in the brand new car I bought
her
