[Verse 1]

Dm  
For thirty odd years  
F  
I have lived with this curse  
Bb C  
My vocabulary was stunted at birth  
Dm F  
By a witch doctor from over the seas  
Bb C  
Casting a strange voodoo magic on me  
Dm F  
Now when I speak, it's rather absurd  
Bb C  
An endless tirade of four letter words  
Dm F  
I lash out in anger at all in my way  
Bb C C C C  
Shocking unspeakable things that I say

[Chorus]

F  
Fuck you, you're a fucking wanker  
Bb C  
We're gonna punch you right in the balls  
F  
Fuck you with a fucking anchor  
Bb C F C F  
You're all cunts so fuck you all

[Verse 2]

Dm F  
Long I have waited to have my revenge  
Bb C  
To bring that witch doctor to his bitter end  
Dm F  
So I have gathered a ship and a crew  
Bb C  
We're sailing to find him, we know what to do  
Dm F  
On a dark moonless night, when he least suspects  
Bb C  
We'll creep up behind him so hard to detect  
Dm F  
We'll bring out our anchor by the light of the stars  
Bb C C C C  
And shove it inside of his big fuckin' arse

[Chorus]

F  
Fuck you, you're a fucking wanker  
Bb C
