

Goodbye

[Verse]

Bb D Eb G
As the sun hides his head for another night's
rest

F Eb F Bb
And the wind sings his same old song

Bb D Eb G
And you on the edge never close never far

F Eb F Bb
Always there when I needed a friend

G F Eb
But it's hard living life on this memory-go-
round

G F Eb
Always up always down spinning round &
round & round

F Bb D Eb G
And all this could be such a dream so it
seems

F Eb F Bb
I was never much good at goodbye

Bb D Eb G F Eb F Bb

Bb D Eb G
There once was a time never far from my
mind

F Eb F Bb
On a beach on the Fourth of July

Bb D Eb G
I remember the sand how you held out your
hand

F Eb F Bb
And we touched for what seemed a lifetime

G F Eb
But it's hard leaving all this behind me now

G F Eb
Like a schoolboy so lost never found until
now

F Bb D Eb G
And all this could be such a dream so it
seems

F Eb F Bb
I was never much good at goodbye

Bb D Eb G F Eb F Bb X2

G F Eb
And it's hard living life on this memory-go-
round

G F Eb
Always up always down spinning round &
round & round

F Bb D Eb G
And all this could be such a dream so it
seems

F Eb F Bb
I was never much good at goodbye

Bb D Eb G
And all this could be such a dream so it
seems

F Eb F Bb
I was never much good at goodbye

Bb
