He said I'll love you 'til I die

She told him you'll forget in time

As the years went slowly by

She still preyed upon his mind

A

He kept her picture on his wall

Went half crazy now and then

He still loved her through it all

Hoping she'd come back again

[Chorus]

Kept some letters by his bed

Eb

Dated nineteen-sixty-two

He had underlined in red

Bb

Every single I love you

[Verse]

Bb

I went to see him just today

Eb

Oh, but I didn't see no tears

F

All dressed up to go away

Bb

First time I'd seen him smile in years

[Chorus]

Bb

He stopped loving her today

Eb

They placed a wreath upon his door

F

And soon they'll carry him away

Bb

He stopped loving her today

[Verse]

Bb

You know, she came to see him one last time

Eb

Aw, and we all wondered if she would

F

And it kept running through my mind

Bb

This time he's over her for good

[Chorus]

Bb

He stopped loving her today

Eb

They placed a wreath upon his door

F

And soon they'll carry him away

Bb

He stopped loving her today
