

## Help Me Make It Through The Night chords by Bryan Adams

### [Verse 1]

                    Bb  
Take the ribbon from your hair  
          Bb          Eb  
Shake it loose and let it fall  
                    F  
Layin' soft upon my skin  
                    Bb  
Back the shadows on the wall

### [Verse 2]

N.C.                    Bb  
Come and lay down by my side  
          Bb          Eb  
'Till the early mornin' light  
                    F  
All I'm takin' is your time  
                    Bb  
Help me make it through the night

### [Verse 3]

N.C.          Bb          Eb  
I don't care what's right or wrong  
                    Bb  
I won't try to understand  
                    C  
Let the devil take tomorrow  
                    F  
Cuz tonight I need a friend

### [Verse 4]

N.C.                    Bb  
Yesterday is dead and gone  
          Bb          Eb  
And tomorrow's out of sight  
                    F  
So damn sad to be alone  
                    Bb  
Help me make it through the night

### [Outro]

          Bb          Eb  
I don't wanna sleep alone  
          F    Bb  
So help me make it  
                    Eb  Bb  F  Bb  
Through the night
