

If Tomorrow Never Comes chords by Garth Brooks

[Verse]

F Gm
Sometimes late at night
C Bb F Gm F
I lie awake and watch her sleeping
C Gm
She's lost in peaceful dreams
C Bb F Bb F
So I turn out the lights and lay there in the dark
F Gm
And the thought crosses my mind
C Bb F Gm F
If I never wake up in the morning
C Gm C
Would she ever doubt the way I feel
Bb F Bb F
About her in my heart

[Chorus]

F Bb
If tomorrow never comes
F
Will she know how much I loved her
C Gm C
Did I try in every way to show her every day
Bb F
That she's my only one
Gm F Bb
And if my time on earth were through
C Dm Am
And she must face this world without me
Dm Gm
Is the love I gave her in the past
C
Gonna be enough to last
F C Bb
If tomorrow never comes

[Verse]

F Gm
'Cause I've lost love ones in the past
C Bb F Gm F
Who never knew how much I loved them
C Gm
Now I live with the regret
C Bb F Bb F
That my true feelings for them never were
revealed
F Gm
So I made a promise to myself
C Bb F Gm F
To say each day how much she means to me
C Gm C
And avoid that circumstance
Bb F Bb F
Where there's no second chance to tell her how I
feel

[Chorus]

F Gm
So tell that someone that you love
C
Just what you're thinking of
Bb F Gm F
If tomorrow never comes
