

Life Hold On chords by Beth Nielsen Chapman

<p>Bb I was swinging on the swings when I was a little girl Gm Trying to get a handle on the big, wide world Bb When I noticed all the grass in the cracks in the concrete Gm I said, "Where there's a will, there's a way around anything" Eb F Life holds on Bb Given the slightest chance Eb For the weak and the strong F Bb Life holds on</p> <p>Bb There was a third grade boy that we knew in school Gm He was found face down in a swimming pool Bb And as they worked on that kid every minute was an hour Gm And when his eyes fluttered open we could feel that power</p> <p>Bb There was a third grade boy that we knew in school Gm He was found face down in a swimming pool Bb And as they worked on that kid every minute was an hour Gm And when his eyes fluttered open we could feel that power</p>	<p>Eb F Life holds on Bb Given the slightest chance Eb For the weak and the strong F Gm Eb F Bb Life holds on life hold on life hold on Ab Gm Sirens screaming down my street F Eb Fading as they go Ab Gm Whining somewhere far away F Eb To someone I don't know</p> <p>Still, I say a little prayer F There's always hope Bb Life holds on Bb Through the window in the kitchen I can see outside Gm My kids taking turns coming down the slide Bb I try not to worry as they grow a little every day Gm I've just got believe they're gonna find their way Eb F Life holds on Bb Given the slightest chance Eb For the weak and the strong F Gm Eb F Gm Eb F Bb Life holds on life hold on life hold on life holds on</p>
