

Living In Sin - F

F
 I don't need no license
 to sign on no line
 and I don't need no preacher
 to tell me you're mine
 Bb
 I don't need no diamonds
 I don't need no new bride
 F
 I just need you, baby
 to look me in the eye

 F
 I know they have a hard time
 and you're Daddy don't approve
 but I don't need your Daddy
 telling us what we should do

 Ab
 Now there's a million questions
 Bb
 I could ask about our lives
 Ab
 but I only need one answer
 Bb C
 to get me through the night
 so, I say

 F
 Baby, can you tell me
 Bb F
 just where we fit in
 Bb F
 I call it love
 C
 they call it living in sin

 Dm
 is it you and me
 Bb F
 or just this world we live in
 Bb F
 I say we're living on love
 C Bb
 they say we're living in sin

F
 Is it right for both our parents
 who fight it out most nights
 then pray for God's forgiveness
 when they both turn out the lights

 Bb
 Our wear that ring of diamonds
 when your heart is made of stone
 F
 you can talk but still say nothing
 you stay together but alone

 Ab
 Or is it right to hold you
 Bb
 and kiss your lips goodnight
 Ab
 they say the promise is forever
 Bb C
 if you sign in on the dotted line

 [CHORUS]

 Solo

 F
 Baby, can you tell me
 just where we fit in
 I call it love
 they call it living in sin
 Bb
 is it you and me
 or just this world we live in
 F
 I say we're living on love
 they say we're living in sin

 I don't know where to begin
 I don't know where we fit in
 Living in sin
