

Maybe Its Time - 6AM

[Intro]

Bb Cm Eb Bb Cm
Cm Bb Eb Cm

[Verse 1]

Cm Eb
All the scars, all the lines
Eb Bb
On my face they show the times
Bb Ab
I've abandoned my own life
Cm Eb
I can't breathe, I can't eat
Eb Bb
So I just drink myself to sleep
Bb Ab
And embrace this morbid price

[Chorus]

Eb
But maybe it's time to heal
Eb Bb
Maybe it's time to try
Cm
Maybe it's time to deal
Cm Ab
With all the pieces in my life
Ab Eb
Maybe I'll sober up
Eb Bb
Maybe before I die
Cm
Maybe I'll finally deal
Cm Ab
With all the wreckage in my life

[Verse 2]

Cm Eb
I'm older now, I'm breaking down
Eb Bb
My regrets they turn to dust
Bb Ab
And soon enough they'll blow away
Cm Eb
When I was young, I was dumb
Eb Bb
I was never strong enough
Bb Ab
I wish I had the guts to say

[Chorus]

[Verse 3]

Cm Ab
And this was self-inflicted
Ab Eb
Yeah I was on a mission
Eb Bb
To ruin everything in life
Cm
But now I'm so damn ready
Ab
Just take my hand and steady
Eb Bb
And we will make it through the night

[Chorus]

[Outro]

Eb Ab
Maybe it's time
Eb Bb
Maybe it's time
Eb Ab Bb
Maybe it's time
