

Rainbow Connection chords by The Muppets

[Verse 1]

F Dm Gm C
 Why are there so many songs about rainbows
 F Dm Gm C
 And what's on the other side
 F Dm Gm C
 Rainbows are visions, but only illusions
 F Dm Bb
 And rainbows have nothing to hide

Bb
 So we've been told and some choose to believe it
 Am A
 I know they're wrong, wait and see

Gm C Am D
 Someday we'll find it, the rainbow connection
 Gm C F
 The lovers, the dreamers and me

[Verse 2]

F Dm Gm C
 Who said that every wish would be heard and
 answered
 F Dm Gm C
 When wished on the morning star
 F Dm Gm C
 Somebody thought of that and someone believed
 it
 F Dm Bb
 Look what it's done so far

Bb
 What's so amazing that keeps us stargazing
 Am
 And what do we think we might see

Gm C Am D
 Someday we'll find it, the rainbow connection
 Gm C F
 The lovers, the dreamers and me

[Bridge]

C Dm F
 All of us under its spell
 Bb F Gm C#75
 We know that it's probably magic

[Verse 3]

F Dm Gm C
 Have you been half asleep, and have you heard
 voices
 F Dm Gm C
 I've heard them calling my name
 F Dm Gm C
 Is this the sweet sound that calls the young sailors
 F Dm Bb
 The voice might be one in the same

Bb
 I've heard it too many times to ignore it
 Am A
 It's something that I'm supposed to be

Gm C Am D
 Someday we'll find it, the rainbow connection
 Gm C F
 The lovers, the dreamers and me

[Coda]
