[Intro]

G C D G C D G

G C/G G

I was just a boy when the river ran dry

F D

And I can still remember my mama cry

G C/G G

She said "Son leave as fast as you can

C D

But don't waste your life in this rock 'n' roll band"

G C/G

I saw the light and left as fast as I could

F D

I knew deep down it was gonna do me good

G C/G G

So I threw my Fender in an old friend's car

C D G C D G C D

G I knew I'd come home - a rock n'roll star

G C/G G

So we hit the road but the road hit back

F D

We thought we'd take the world with a hit and run attack

G C/G G

Now I'm center stage - but it feels bizarre

C D

Despite new cars and caviar

G C/G G

An overnight success - created by the press

F D

But they'll eat you up if you show them any stress

G C/G G

So I lick my wounds - and I hide my scars

C D G

The whole world thinks I'm a rock n' roll star

[Chorus]
