

## Rock You Like A Hurricane

[Intro]

G Bb C Eb F5 (x8)

[Verse 1]

Gm Eb  
It's early morning  
Gm Cm  
The sun comes out  
Gm Eb  
Last night was shaking  
Gm Cm  
And pretty loud  
Gm Eb  
My cat is purring  
Gm Cm  
And scratches my skin  
Gm Eb  
So what is wrong  
Gm Cm  
With another sin

Gm Eb  
The bitch is hungry  
Gm Cm  
She needs to tell  
Gm Eb  
So give her inches  
Gm Cm  
And feed her well  
Gm Eb  
More days to come  
Gm Cm  
New places to go  
Gm Eb  
I've got to leave  
Gm Cm  
It's time for a show

[Chorus]

Gm Bb C  
Here I am,  
Eb F Gm Bb C Eb F  
Rock you like a hurricane  
Gm Bb C  
Here I am,  
Eb F Gm Bb C Eb F  
Rock you like a hurricane

[Verse 2]

Gm Eb  
My body is burning  
Gm Cm  
It starts to shout  
Gm Eb  
Desire is coming  
Gm Cm  
It breaks out loud  
Gm Eb  
Lust is in cages  
Gm Cm  
Till the storm breaks loose  
Gm Eb  
Just have to make it  
Gm Cm  
With someone I choose

Gm Eb  
The night is calling  
Gm Cm  
I have to go  
Gm Eb  
The wolf is hungry  
Gm Cm  
He runs the show  
Gm Eb  
He's licking his lips  
Gm Cm  
He's ready to win  
Gm Eb  
On the hunt tonight  
Gm Cm  
For love at first sting

[Chorus]

Gm Bb C  
Here I am,  
Eb F Gm Bb C Eb F  
Rock you like a hurricane  
Gm Bb C  
Here I am,  
Eb F Gm Bb C Eb F  
Rock you like a hurricane
