

## Someone You Loved chords by Lewis Capaldi

[Intro]

Bb F Gm Eb

[Verse 1]

Bb F Gm Eb

I'm going under and this time I fear there's no one to save me

Bb F Gm Eb

This all or nothing really got a way of driving me crazy

Bb F Gm Eb

I need somebody to heal, somebody to know,  
somebody to have, somebody to hold

Bb F

It's easy to say but it's never the same

Gm Eb

I guess I kinda liked the way you numbed all the pain

[Chorus]

Bb F

Now the day bleeds into nightfall

Gm Eb

And you're not here to get me through it all

Bb F

I let my guard down and then you pulled the rug

Gm Eb

I was getting kinda used to being someone you loved

[Verse 2]

Bb F Gm Eb

I'm going under and this time I fear there's no one to turn to

Bb F Gm Eb

This all or nothing way of loving got me sleeping without you

Bb F Gm

Eb

Now I need somebody to know, somebody to heal,  
somebody to have, just to know how it feels

Bb F

It's easy to say but it's never the same

Gm Eb

I guess I kinda liked the way you helped me escape

[Chorus]

Bb F

Now the day bleeds into nightfall

Gm Eb

And you're not here to get me through it all

Bb F

I let my guard down and then you pulled the rug

Gm Eb

I was getting kinda used to being someone you loved

[Bridge]

Cm Gm F

And I tend to close my eyes but it hurts sometimes

Gm Cm

I fall into your arms

Gm F

I'll be safe in your sound 'til I come back around

[Chorus]

Bb F

For now the day bleeds into nightfall

Gm Eb

And you're not here to get me through it all

Bb F

I let my guard down and then you pulled the rug

Gm Eb

I was getting kinda used to being someone you loved

Bb F

But now the day bleeds into nightfall

Gm Eb

And you're not here to get me through it all

Bb F

I let my guard down and then you pulled the rug

Gm Eb

I was getting kinda used to being someone you loved

[Outro]

Bb F

I let my guard down and then you pulled the rug

Gm Eb Bb

I was getting kinda used to being someone you loved
