

Sometimes When We Touch chords by Dan Hill

[Verse]

G C D G
You ask me if I love you And I choke on my reply
Bm Em A D
I'd rather hurt you honestly Than mislead you with
a lie
Am D G D Em D
And who I am to judge you On what you say or
do?
C G A D
I'm only just beginning to see the real you

[Chorus]

G C D Bm
And sometimes when we touch The honesty's too
much
Em A D
And I have to close my eyes and hide
G C D Bm
I wanna hold you til I die Til we both break down
and cry
Am D G
I wanna hold you till the fear in me subsides

[Verse]

G C D G
Romance and all its strategy Leaves me battling
with my pride
Bm Em A D
But through the insecurity Some tenderness
survives
Am D G Em D
I'm just another writer Still trapped within my
truth
C G A D
A hesitant prize fighter Still trapped within my
youth

[Chorus]

G C D Bm
And sometimes when we touch The honesty's too
much
Em A D
And I have to close my eyes and hide
G C D Bm
I wanna hold you til I die Til we both break down
and cry
Am D G
I wanna hold you till the fear in me subsides

[Bridge]

D G
At times I'd like to break you And drive you to
your knees
Em Bm C D
At times I'd like to break through And hold you
endlessly
G C D G
At times I understand you And I know how hard
you've tried
Bm Em A D
I've watched while love commands you And I've
watched love pass you by
Am D G F# Em D
At times I think we're drifters Still searching for a
friend
C G A D
A brother or a sister But then the passion flares
again

[Chorus]

G C D Bm
And sometimes when we touch The honesty's too
much
Em A D
And I have to close my eyes and hide
G C D Bm
I wanna hold you til I die Til we both break down
and cry
Am D G
I wanna hold you till the fear in me subsides
