[Intro]

Em Bm C G/B
Am G

[Verse 1]

Em Bm C G/B
Everybody loves the things you do
Am G
From the way you talk to the way you move
Em Bm C G/B
Everybody here is watching you
Am G G G/F#
Cause you feel like home, you're like a dream
come true

Em Bm C G/B
But if by chance you're here alone
Am G G G/F#
Can I have a moment before I go
Em Bm C G/B
Cause I've been by myself all night long
Am Dsus4 D
Hoping you're someone I used to know

[Pre-Chorus]

C D
You look like a movie
Bm C
You sound like a song
C D
My God this reminds me
Bm D
Of when we were young

[Chorus]

G Bm C D
Let me photograph you in this light, in case it is
the last time
G Bm C D
That we might be exactly like we were before we
realized
Em G/B C Cm
We were sad of getting old, it made us restless
Am C Dsus4 D
It was just like a movie, it was just like a song

[Verse 2]

Em Bm C G/B
I was so scared to face my fears
Am G G G/F#
And nobody told me that you'd be here
Em Bm C G/B
And I swear you'd moved overseas
Am Dsus4 D
That's what you said when you left me

[Pre-Chorus]

C D
You still look like a movie
Bm C
You still sound like a song
C D
My God this reminds me

the last time
